LAST DAY OF THE GREAT REVIVAL.

Dr. Dixon Will Leave For Kansas City at 10 O'clock To-Night.

WILL PREACH AT 7:45.

Another Great Meeting Held Last Night and Much Interest Shown.

The Dixon revival has continued to draw great crowds at every service. Tuesday night Dr. Dixon preached "Christ Lifted Up." He was hoarse and showed signs of fatigue from the hard work of the past week. Nevertheless he soon warmed up to his subject and the effort was a powerful one.

Yesterday afternoon he preached on the "Ethics of Marriage" and last night on "Why Are Men Not Christians?" Lack of space prevents an extended notice of these discourses.

The meeting will close to-night. Dr. Dixon will preach at 2:30 and 7:45 p. m., and after the night service will leave for Kansas City to attend the Southern Baptist Convention.

At Tuesday night's service Elder H. D. Smith took up a collection to defray the expenses of the meeting. He asked for \$800 and nearly \$600 was subscribed in amounts ranging from \$30 down to \$1. The basket collections up to this time, amounting to \$161, have been applied to the Tabernacle expenses. About \$200 more is needed for Dr. Dixon and Mr. Excell, which will doubtless be raised by outside contributions.

TRENTON NEWS.

W. B. L. Cooke, Jr., Dead, Aged 24 Years.

Trenton, Ky., May 10.—Mr. W. B. L. Cooke, Jr., died at the residence of his father yesterday afternoon of lung trouble. He was only twenty-four years old and one of the brightest young men of this community. He had not been in good health for some time and was confined to his bed several weeks. Deceased is survived by his father, who is president of the Bank of Trenton, two sisters and one brother. He was a member of the Christian church. Funeral services will be held at 3 o'clock Wednesday afternoon and the interment will take place in the Trenton cemetery.

Jack Wood, an aged and much respected colored man of this place, was found dead in bed this morning. It is thought that death was due to heart failure.

A good season for transplanting tobacco prevails and the work of setting plants is progressing nicely. M. M.

NARROW ESCAPE

For Mr. West, Who Was Badly Bruised.

Mr. Byron West is suffering from a badly bruised shoulder and arm. Mr. West was in the eastern part of the city and got into a delivery wagon which was coming down town. The horse began to go at such a lively clip that the driver leaped from the vehicle. The animal ran the wagon against the curbing and Mr. West was thrown violently to the ground. His shoulder struck the curbing and he was quite badly bruised. It is not thought that any bones were broken, however, and while his injuries were of a very painful nature, he is able to be up.

CARNIVAL CO. COMING TO THIS CITY.

Under the Auspices of Local Lodge of Woodmen of the World.

A WEEK'S ENGAGEMENT.

Attractions Said to Be the Cleanest and Best in Country.

The local lodge of Woodmen of the World will conduct a carnival in Hopkinsville, beginning Monday, May 29, and lasting six days.

The lodge had had the matter under consideration for some time and at their business meeting Monday night it was definitely decided to have the fair.

The Seaman-Millican Mardi Gras Company will furnish the attractions. At the meeting of the City Council last Friday night the matter of using the streets for that purpose was discussed, the plans of the entertainment, etc., being present to the board by Mr. J. D. Higgins, and the council has granted the privileges asked.

This carnival will be held in the same district used by the Odd Fellows for their carnival last fall.

The Seaman-Millican Company is said to be one of the best in the country. They have only high-class attractions and are recommended as the cleanest and most up-to-date carnival company on the road to-day.

While the time between now and the opening of the carnival is short, the committee on advertising will see to it that everybody in Christian and adjoining counties is informed of the date of "the week of enjoyment," and a general invitation to all is extended.

The following are the committees appointed to conduct to carnival:

THREE GAMES HERE WITH HENDERSON.

First of Series Played Yesterday Afternoon at Four O'clock.

ANOTHER GAME TO-DAY

Two New Men Signed For Trials This Week By Manager Rutledge.

The first game on the local diamond was called yesterday afternoon at 4 o'clock, between Hopkinsville and Henderson. It was played so late in the day that the Kentuckian, which goes to press at 5 o'clock, failed to get the result.

Two other games will be played between the same teams here, at 3:30 this afternoon and to-morrow afternoon.

McAndrews, a new outfielder from Cairo, was signed this week and came home with the team.

A pitcher named Jones dropped into town yesterday and will be given a trial. We now have Smith, Jones and Brown as pitchers.

The Hopkinsville team lost the game at Cairo Tuesday. The contest was very close and resulted in the score of 2 to 1. The local team also lost Monday's game with the Egyptians by the score of 4 to 2.

At Paducah Tuesday the Indians shut the Hens out, the score being 5 to 0. Monday's contest between the same teams also resulted in a shut out, Paducah winning 2 to 0.

At Princeton, Ind., Tuesday the game between Vincennes and Princeton was a tie, the score being 4 to 4. The day before Vincennes won by the score of 5 to 4.

Zinkans, Keifer and Ike are the three umpires on duty.

The right to sell refreshments inside the grounds was sold to Tom Dattilo, the highest bidder, for \$31.

The tangle over the position of official scorer was finally settled in favor of W. H. Cummings, Jr.

HAD A GUN

And Tried to Use it, But Was Overpowered.

Cleveland Cowherd, col., wanted here, was arrested on west Ninth street by Deputy Sheriff Clark and is now in jail. Cowherd had been making his home near Bell for some time. When he came to the city he was seen by the officer and ran, but Mr. Clark overtook him and made the arrest. Cowherd attempted several times to draw his pistol, but did not succeed, and with the assistance of Officer Mullen, he was disarmed. He was much opposed to being locked up and the officers experienced great difficulty in carrying him to prison. The arrest was made on a bench warrant, charging a breach of the peace. His case is set for trial before Judge Fowler, May 16. There are three indictments against the prisoner, two for gaming and one for carrying a concealed deadly weapon, and he will probably be tried on these charges at the June term of Circuit Court.

Council To-morrow Night.

The City Council will hold an adjourned session to-morrow night to transact unfinished business.

DELAYED REPORT OF SERMONS.

Meetings of Sunday and Monday Reported in Detail.

POPULAR AMUSEMENTS.

The Sermon Monday Night Considered the Strongest of the Series.

Up to Sunday in the series of meetings the audience in the afternoon was the largest that had gathered. The door leading to the gallery had to be thrown open during the song service and nearly every tier of seats was occupied.

Dr. Dixon read a portion of the 36th Psalm and after prayer selected the 7th verse of the 36th Psalm as the basis of his remarks: "How excellent (precious) is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings." Lovingkindness in excellence! God is love and Christ is the unfolding of the kindness of God. He spoke of the four diamonds to be found in this Psalm. A party of men had toiled months and months for a company who were searching for diamonds, but with no success. One day a man picked up a large stone and started to cast it aside. He had broken hundreds of stones just like it. However, with his hammer he broke it and a diamond was brought to view that affected the diamond market of the world. By the hammer of inspiration we have here disclosed the safety of the believer under the shadow of the wings of the omnipotent God. The Doctor said: "I am a trifle afraid of the omnipotent, but if I have the omnipotence of God manifested in the love of Jesus Christ I am safer than anywhere else in the world." Through salvation I expect to go to heaven. When I get there I will be surprised to see many there that I did not expect, but surprised at not seeing many whom I expected
